

# Payroll giving

You can help us rebuild communities after natural disasters in India by making a regular contribution through your payroll.

Regularly donating a fixed sum of money from your salary is a simple way to give. It's also the most tax effective, because donations are deducted before you pay tax.

For example, if you donate £10, only £8 comes out of your salary and the taxman pays the rest. Or if you're on a higher tax rate (40%), only £6 comes out of your salary and the taxman pays the rest.

## How you'll be helping

The fact that we know how much and how often you will donate means that we can budget effectively and plan ahead. And you will know that Sewa UK is able to make the best use of your regular, tax-free donation.

## How do I sign up?

Simply fill in our payroll giving signup form and we'll do the rest!

If you'd like more information on how to sign up, please email [info@sewauk.org](mailto:info@sewauk.org)
